

YOUNG PERSONS' SURVEY

(for 11 years and older)

North Marston is producing a Neighbourhood Plan that will put forward ideas about the future of the village over the next 15 years, and it is very important for us to have the thoughts and opinions of as many people as possible to do this properly.

It would be a great help if you could answer the questions below to give us some real evidence about the feelings of the young people who join in North Marston's activities. Your answers will be confidential, and we do not want to know your name, so you can tell us what you really think!
